

Kyle Samonte User Manual: Work Style Preferences

Note: Please make a copy. You can substitute work with school.

1. What is the most important thing you need at work to stay happy and productive? Why?
 - I need productive breaks every so often, so that my mind stays fresh throughout the day
2. What is your work pet peeve/what drives you nuts? Why?
 - My work pet peeve is when people are unaccepting of ideas that are not their own (“my way or the highway” mentality).
3. What is your favorite/preferred method of communication?
 - My preferred method of communication is email for professional messages, and call/text for informal or urgent messages.
4. What is your natural way of acquiring information? (Reading, listening, talking it through, writing it down... etc.)
 - I enjoy watching videos or listening to someone talk about something, along with taking notes to keep me engaged.
5. What is your natural way of disseminating information? (Writing, speaking, demonstrating... etc)
 - I enjoy speaking and writing (and posting somewhere) to spread information.
6. What qualities do you particularly value in people who work with you? Why?
 - Empathy for mutual understanding
 - Open-mindedness for idea building and an accepting environment
 - Honesty for feedback with radical candor
 - Vulnerability for getting to know one another
7. What are some things that people might misunderstand about you that you should clarify?
 - People may think that I am more confident than I actually am at times

8. How can people earn an extra gold star with you? Why?
 - Asking me about how I'm doing outside of work because I value camaraderie and connection
 - Being proactive about tasks because it inspires me to work harder
9. What are you like on your best day? Why?
 - On my best day, I am talkative, confident, creative, and productive
 - Those are the days I feel energized, motivated, and I probably got enough sleep
10. What are you like on your worst day? Why?
 - On my worst day, I am quiet, unmotivated, and unconfident
 - Sometimes, I don't get enough sleep or I feel burnt out
11. How do you like to receive feedback?
 - I like to receive feedback directly, but with grace and respect
12. How to best help me?
 - Asking me directly, since it can vary from situation to situation
 - Generally, I appreciate constructive feedback on my work and walkthroughs when I don't know how to do something
13. How do you like to give feedback?
 - I like to write my notes down (either digitally or on paper) so that there's a record
 - Sometimes, I like to discuss/share what I wrote down
14. What is one of your biggest challenges at work? Why?
 - Avoiding burnout can be a challenge for me, since I sometimes overload myself and work quickly when I'm passionate about something
 - Procrastination can be a challenge when I feel overwhelmed
15. How do you like to be held accountable to your goals, commitments, etc.?
 - I appreciate check-ins with genuine conversations
 - I also appreciate productive discussions about how I can improve to reach my goals/commitments when I don't

16. Anything else you'd like to share?

- I appreciate a friendly and connected work environment
- I can get distracted at times, so I appreciate when someone can get me back on track respectfully and intentionally
