

KYLE SAMONTE

Personal User Manual

SUMMARY

Hi! Welcome to my personal user manual, where you will learn a little bit more about the professional and personal me. I am a loyal team player who is passionate about connecting with others, mental health, and working smarter instead of harder. I also love open collaboration and communication. Look at the sections below for more details!

QUICK FACTS

- I'm most productive 11 AM-3 PM
- I commute from San Mateo
- I prefer talking over texting
- I admittedly need food and water to work productively

MISCELLANEOUS

- I tend to procrastinate at times, but I will always get my work done
- I value transparency and loyalty in the people I work with
- I appreciate refining our emotional intelligences
- I learn best visually and with hands-on work
- I am most excited for learning how to do effective user research and refining my UI design skills
- My favorite design tools are Figma, Illustrator, and Canva
- My dream project is working on something related to the sneaker commerce industry
- A joyful workplace to me is one filled with laughter as well as productivity.
- In my spare time, I love playing basketball, playing video games, and collecting sneakers!

WORK/LEADERSHIP STYLE

- When working with others, I value uplifting everyone's ideas, regardless of our opinions on them.
- I value radical candor in all discussions and creating a psychologically safe environment.
- I will not tolerate disrespect and/or discrimination against me or other team members.
- I communicate best when there is structure to professional conversations (via an agenda, etc.) and team members are easily reachable
- Direct and specific feedback and communication work best for me
- I am more comfortable giving feedback in one-on-one meetings, rather than group settings.
- I prefer to deal with conflict by having direct conversations and ending on a positive note to ensure future work runs smoothly
- Positive encouragement and deadlines motivate me, while overworking without breaks quickly demotivates me.
- I am admittedly bad at asking for help. Feel free to chime in if I look like I am struggling.

CLIFTON STRENGTHS

- **Developer** - "You recognize and cultivate the potential in others. You spot the signs of each small improvement and derive satisfaction from evidence of progress."
- **Woo** - "You love the challenge of meeting new people and winning them over. You derive satisfaction from breaking the ice and making a connection with someone."
- **Positivity** - "You have contagious enthusiasm. You are upbeat and can get others excited about what they are going to do."
- **Harmony** - "You look for consensus. You don't enjoy conflict; rather, you seek areas of agreement."
- **Communication** - "You generally find it easy to put your thoughts into words. You are a good conversationalist and presenter."
